In the quiet corners of each day,
Your laughter still echoes — it never fades away.
Even though you're not by my side,
You live in my heart, where memories reside.

💔

The stars don't shine as bright tonight,
Without your smile, there's less light.
I send my wishes into the sky so blue,
And each one softly whispers, *"I miss you."*

💫

If time could pause, if space could bend,
I'd hold your hand and never let it end.
But until that day when dreams come true,
I'll close my eyes… and be with you. 🌠

"I'm sorry, Kanika… for every mistake."
For every tear I made you cry,
I wish I could just turn back time.
I never meant to cause you pain —
If I did… I carry that like rain.
I hope one day you'll truly see,
How deeply you still matter to me. 💗
